

SOLA TRIBAL CHILDREN'S HOME (SOTCHO)

Thanks for the Thoughtfulness

We are grateful to Miss. Sheba and Mr. Victor, the chairman of Chennai District's Lions Club, for gifting our boys with the rain courts. It is because of this great endeavor our boys are able to appear for the classes without fail even on rainy days. Hence, as a community we are appreciative of the benefactors for their thoughtfulness and for this valuable gift. We assure our prayers and wishes to you.

Another Landmark

The district beach volleyball association organized an open district beach volleyball tournament and in that one of our boys (Karthi – XII) participated and secured second place.

Hard work, determination and tremendous exertions are the hallmarks to reach this elevation. We applaud, congratulate and wish him and the team, the very best for the events to come. Thus proud to keep up the style of Don Bosco, "Healthy Soul in Healthy Body."
